

WHAT TO EXPECT WHEN APPLYING TO COLLEGE:

How to Stay Sane!

For parents of high school juniors, sophomores and freshmen

Join college experts and Or Atid members
Marilyn Engelman, Jamie Gossels and Stephanie Lapat
as they guide you through the college application process. Learn about the
application timeline, when to start thinking about college, importance of fit,
standardized testing, considerations for students with learning differences and much
more. What is Naviance and how can it help?
What does demonstrated interest mean and does it matter?

*Applying to college doesn't have to be intimidating-it can even be fun!
Bring your questions. Bring your friends.*
